

Primordial Process

1008 malas of each, in order, at the speed and formula of your choice.
Finish one mantra before you start the other. Elements can be done simultaneously.

Power of Love

Om Aim Klim Hrim
Adibalam prema-matim swaha

I bow/sacrifice to the primordial power, which is the will/desire of Love.

The pronunciation of the bijas, for the English speakers, should be like if they were written this way: "Kleem", "Hreem".

Golden Light Flow

Om Dhim Klim Sauom
Kanaka jyota tay swaha

I bow/sacrifice to the golden light stream.

The pronunciation of the bijas, for the English speakers, should be like if they were written this way: "Dheem", "Kleem".

Divine Self

Om Aim Brim Ham
Aham Bhramn paramAtmam swaha

I bow/sacrifice to the ultimate Self Godhead that I am.

The pronunciation of the bijas, for the English speakers, should be like if they were written this way: "Aeem", "Breem".

Primordial Consciousness

Om Aim Brim Dam
Adi-samjñam nisma ca bhU-sarvam swaha

I bow/sacrifice to primordial consciousness that creates and becomes everything.

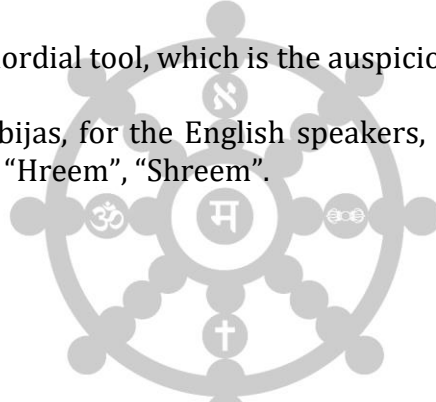

The pronunciation of the bijas, for the English speakers, should be like if they were written this way: "Aeem", "Breem".

Primordial tool

Om Krim Hrim Shrim
Adi-yantra sudarshan-chakra swaha

I bow/sacrifice to the primordial tool, which is the auspicious vision in motion.

The pronunciation of the bijas, for the English speakers, should be like if they were written this way: "Kreem", "Hreem", "Shreem".
